

March 2018

Hawke Lane Chapel Key-holders.

The following list shows those who have either a side door key to our church building or a complete set.

If you need access for a particular event then please feel free to contact anyone on the list to borrow a key.

It will then be your responsibility to ensure the key is returned promptly to the keyholder.

If you find that you are needing to use a key regularly then please see the Church Secretary about having one;

Equally, if you no longer have need of one then please let the Secretary have it back.

All contact details are in the Church Directory
