

## Public Wi-Fi Access Policy

### **Introduction**

This policy outlines the standards which Bloxham Baptist Church requires all users of its electronic communications systems and equipment to follow.

### **What is covered by the Policy?**

The use of the Wi-Fi network supplied by Bloxham BC.

### **Who is covered by the policy?**

This policy covers all individuals who wish to use the Wi-Fi network supplied by Bloxham BC

### **Internet Use**

Users are reminded that their use of the Internet will be directly traceable to our Internet address.

The WiFi Service may be used for lawful purposes only and the User may not submit, publish or display any content that breaches any law, statute or regulation. In particular the User agrees not to Use the Internet access for any activity that

- is defamatory, threatening or intimidatory or which could be classed as bullying or harassment
- involves obscene, profane or abusive language
- contains pornographic material whether in writing, pictures, films, video clips or any other media
- contains offensive material regarding sex, race, religion or any disability or sexual orientation
- infringes third party rights or otherwise unlawful or inappropriate
- involves illegal access or downloading of copyright material
- Involves sending unsolicited commercial email or "spam", or any similar abuse of the service
- make available or upload files via the WiFi Service that the User knows contain a virus, worm, trojan or corrupt data;

### **Internet Content**

Bloxham BC reserves the right to block access to any site and will take reasonable steps to block any site it deems inappropriate; however Bloxham BC cannot guarantee that all inappropriate content will be blocked. If you gain access to a site that you deem inappropriate close your web browser immediately.

### **Systems and Data Security**

Bloxham BC will provide Internet access via the wireless network and will undertake reasonable steps to ensure it is secure from unauthorised users. However no guarantee can be made to this effect. You are responsible for your own anti-virus and anti-malware precautions. Bloxham BC will not be held responsible for any damage to your equipment whilst connected to its network. You should not attempt to gain access to restricted areas of the network or to any password protected information without being duly authorised to do so.

### **Monitoring and Compliance**

Bloxham BC reserves the right to protect its network and systems by recording user activity but not content. That is to say no content will be captured but that a list of activity maybe recorded;

- To ensure that the use of the system is legitimate and in accordance with this policy
- To comply with any legal obligation
- If the use constitutes a criminal offence the information will be handed to the police.
- Wireless access to the Internet is granted to you in accordance with this policy.
- You must not share the WiFi password with another person (including members of your family), please ask them to fill in a form like this.

If the User fails to comply with the Acceptable Use Policy outlined here, Bloxham BC shall be entitled to withdraw the use of the WiFi services from them.
